

For all YOUNG MISSES Con-d esending

A Very Moderne

HOUSE-KEEPING

Being

An ACCOMPT *diverting* and very *Wonder-full*, of a House Well-Kept by a Curious Guest come two Years before Now: An Un-Naturral 'SPYRIT' of Dimension Unplumbed and Providence Convenient: Who Apparated From No-whereabouts & Installed him-self within a small FIGURE of the Kitchen Wall thus -

As here Retold by the Proprietor of said House and thus that SPYRITS mistress: one *Anne Latch*, a Seeress now much-trafficked and Feared in this Country as -

THE WIFE OF NIGHTHEAD'

(Formerly of the Place of that Name: being a Hamlet lying Newly by the Margent of the River Night high upon the lone & Secrit MOORS, beyond the Districkt of Nighcester Town in the Citie of Sheffield: within the countys of Yorks. & Derbys.) -

Received at the Premise of the PUBLISHER some Days after her most Publick & Re-marked VANISHMENT & being in Two Portions: firstly, being the Dread REVELLATION & TESTAMENT (her own Naturall Cant almost un-Improved, onlie to make of it In-telligent) of the Famed Secuels and Affairs of her Un-credible Life these Two Years Past, from Nadir to Apojee *viz.*

Her past employ at the Knole Factory as Carder & Drudge; The Remarked Comett; The Discovery of the 'Spyrit' & its Binding in Compact; Their Intercourse; The Abandonment Of Her Station; A Charitable Edukation; The Profit of Her Busyness as Doctress & Soilwarp; The Envies of all other Skryers, Physicks, Nigromancers, Girdlers and Tellers of Toad Dooms; Her Succour to the Miseries of the Be-nighted; Her Consort to the Occupations of Fine Folk & Their Climes; The Prophecy of the Kings Death; The Sins Of The Father; A Husbands Ailing; The Loss of the Nighcester Regiment, & other Events at Quebeck; The Death Of A Scrumper; A Vengeful Ritual & A Most Mysterious Burgling; The Death Of Little John - Rumours of Sodomy, Murder; A Trial That Bewitched A County; The Theft of A Guinea; Two Ropes Upon A Beam Borne &c.

A Curious TALE, Made Yet More Marvelous in Being Received at the Publiſher Addressed Implicit To THEE alone: a young MIS S of the City (FORE-DREAMT by the Wyfe her-self) who seeks in her Idle Youth some fresh Venture, Novele Impulſe or un-common new STATION for her Life -

ALL-SO

In the Second Portion serving as the Wyfe's Final WILL & DOW AGE (Entrusted unto this Publiſher) Passed to THEE; in Invitation to Assume Prefidency over the Wyfe's houſe and Little Lands: and all-ſo that Powerful & Inexhaustible SPYRIT who does yet Lye Stationary At His LAIR within its Kitchen, Bound within a Circle Chalked & Begging ſome new MISTRESS to ferve -

To be Guided by Exact adherence to the OCCULTED KNOWLEDGE & Instructions here Advertized, & garnered by the Wyfe through much Application, & Encouragement; Arranged in ſome three hundred RECEIPTS for every Aplication towards the Good Life, yet requiring no Brutishneſs nor Ingenuity; yet only a quiet Attention; ſoft and Fleeting touches, movements PRECISE & other Liberties of your Province, to aid in the varied Manufacture of -

Orisons; The Chymick of Poultises & Chrims; Charms; Cures; The Geolocation Of Husbands; Eternal Happineſs; New Innocent Theorems Of Worldly Matters; Sibyls; Decouzenings; The Subduction Of Baſe Natures; Parties; Druggs; Auguries; Riches; Wardings; Sidereals; Vaxxings; Tricks & Entertainments; Weightleſſneſſes; Spells Of Love; Beauty Eternal; The Edukation of the Sex; Demonſtrations; Freſh Queſtings; The Smiting Of Suitors; Such Powers; Frictionalities; Rare Freedoms; Ruſtick Wiſdoms; The Creations Of Panaceas Without Gnoſticks; The Manipulation Of Natural Geniuſes; Noſtrums; Vengeances of Gender; The Regard Of The County &c.
