

# An Exit Questionnaire

Thank you for participating in the study today. I hope it was enjoyable!

Part of this study lies in comparing the participant's initial reactions to the game-worlds and characters encountered with a later, more considered response. By filling in this questionnaire, you are providing that comparison.

Please fill out this questionnaire to the best of your knowledge and ability, and press 'Submit' at the end. After this, your name will be entered into a prize draw with the chance to win a £30 Amazon voucher: I will be contacting all participants soon to let them know the results of this draw.
